

Process of Engagement

The diagram above is a visual aid to understanding the various stages that lead to engagement for the Healthy Transition Initiative.

Never Engaged: an initial call but no further action was taken either by agency or youth.

Referred: Inquiry was sent to another resource.

Outreach: is a fluid time when some progress is being made towards enrollment or other options.

Drop Out: YP has started the process but is "lost to care".

Enrolled: YP is ready to be actively engaged in the HTI program- eligible for NOMs ready to take NOMS and ready for CPR assessments, etc..

Discharged: YP who was enrolled in program
